Bloomfield Health Department

To Whom It May Concern:

I have known Jeff Coltenback for about 5 years in a professional context. He has given workshops and led Round Table talks for Dog Trainers' Connection which is an organization that educates dog trainers. He has always been an exemplary speaker, as well as demonstrating his knowledge and expertise in working with pit bulls and bully breeds. I have seen Jeff working dogs and he is respectful of their owners and he clearly knows how to handle dogs. In my opinion, Jeff is the go-to person for anyone who needs help with a pit bull, or information about the breed.

Sincerely,

Bonnie Brown, Founder  
Dog Trainers' Connection
